

Classic City Pétanque Meeting Minutes

Classic City Pétanque (CCP) Virtual Board Meeting

Through an electronic vote, CCP board members voted to support a bid for a FPUSA umpire training camp to be held at Lay Park, September 15 - 20. Funds for this camp are provided by FPUSA. CCP obligations would be as follows: providing 4 courts for a shooting competition; collecting money for the event; and having an event allowing umpires to train.

The Women's National will still take place on Saturday, September 19. The planned six-ball tournament scheduled for Sunday, September 20, will be changed to a triples tournament to allow the new umpires to participate in officiating the tournament.
